The cheapest is 'help-mate.link'. 'help-mate.org' and 'helpmateonline.com' are my second recommendations.

## 2. Travel APIs:

Software/API	Cost	Description
<a href="https://developers.amadeus.com">https://developers.amadeus.com</a>	3000 free calls and more <a href="#">Self-Service Pricing   Amadeus for Developers</a> : 'Pay as you go'	Amadeus Self-Service APIs give developers instant access to essential travel data and functionalities. In the test environment, you get a free request quota each month to build and fine-tune your apps. When you move to production, you maintain your free request quota and pay only for the additional calls you make.
